- of clothing in an attempt to get rid of an oversupply of poor quality goest before the monetary reform. This aroused the suspicions of the people who started a buying wave which even widespread assurances by Party and trade onion officials that there was to be no currency reform could not check, workers, in particular, withdrew their savings from the banks in order to purchase goods. Finally the government on 25 May closed all shops which sold unrationed goods, with the explanation that rationing was to be abolished. Thus those who had withdrawn their savings from the bank were unable to buy anything, and when the currency reform came they were further penalized tendance the exchange rate for bank accounts was more favorable than for sain holdings. Feanwhile the officials reiterated their promises that there sould te no nonetary change.
- 2. The announcement of the currency reform on 30 key provoked a run on the pession for the people found, however, that the restaurants had received people duced rations for the weekend. On Saturday efternoon, 30 May, crowds demonstrated against the reform in Menceslaus Square in Prague. Several hupped people were arrested out they were released by evening. On Monday work Mas about in several Prague factories including CKD Stalingrad, Avia and fitta. In the Stalingrad plant the workers attacked members of the Prople's Millitia and drove them from the factory. An attempt by Minister of Heavy Engineering Karel Polacek to intervene resulted in his having to flee the plant surpunded by guards.
- Panifestations of dissatisfaction were seen also in Pilsen (N50/L04), N1-dno (N51/L59), Most (N51/F13), Brno (P50/N40) and Moravska Ostrava (P50/O59). In Pilsen the demonstrators carried a picture of former President Eduard Benes to the place which had once been the site of a statue of Thomas Nasaryk. In clashes with the police, several rembers of the SNB were wounded and a number of demonstrators were arrested.
- ha Endications that the government was prepared for public dissatisfaction were seen in (1) the electing of the SMB, the Interior Guard, the army and the geople's Militia, (2) the order that workers at the large enterprises of sider Sunday, 31 May, a regular workday, and (3) the mobilization of Party and trade union propaganda facilities, the press and radio, to popularize the new measures.

5. Unknown to the public, a considerable quantity of money was exchanged at par for the members of the EMB, the Interior Guard, the Border Guard, high army officers, and officials of the Communist Party. Numbers of the SNB, for instance, were permitted to exchange 1,000 Kcs at par and the rest at 5 to 1. Minister of Finance Jaroslav Kabes was reluctant to give the other Ministers a favorable rate, however, and the resulting strain caused him to have a nervous breakdown.
